

{rokzoom title=|Zbraslavice town|}images/stories/zbraslavice.jpg{/rokzoom}

Among other services provided by our company are sightseeing flights over selected regions of the Czech Republic. We include not only Kutnohorsko and Posázaví, but also other regions, or any other flight according to customer's request. For this purpose, we use L 40 META-SOKOL, L 200 MORAVA and Z-142 planes. We offer you an interesting family outing or attention for your business partners or employees.
